Online/Blended Learning

The American Red Cross Blended Learning offers the convenience of self-paced online training and testing, in combination with instructor-led skills practice and assessment session. The first portion of the course, includes a written exam, is online and can be taken from PC with high-speed Internet access. The second part of the training is the skills practice and assessment and is conducted by an American Red Cross instructor in a classroom setting. * **Please allow a maximum of 4 weeks between the online and skills portion of the training.**
